*Listening to your views in Teignmouth*

Dear Resident,

Over the past few years I have been working hard at Westminster to make sure the voices of Teignmouth residents have been heard. Over £160 million is now being invested in our area. This money is helping to improve our flood defences, reduce all household water bills by £50, build a £9.7m University Technical College and ensure our roads are better maintained. I am also pleased to see new investment in Fish Quay being agreed which will provide a real benefit for our fishermen and our community.

Nationally, I have been lobbying for a referendum on our membership of the EU and the EU Referendum Bill has my full support. Most recently I have been lobbying ministers for a change in planning legislation to give communities a right of appeal against planning decisions which adversely affect them.

I attach a questionnaire which you can return to me by post, although I am equally happy to receive answers to this survey by email or via the internet. If you wish to use the internet please go to [www.annemariemorris.co.uk](http://www.annemariemorris.co.uk) and follow the prompts to fill out and return the questionnaire.

I am conscious that there may well be other issues or concerns you may have which you need help with and would welcome your thoughts. Please do not hesitate to get in touch with me (my contact details are below) to book an appointment or do drop by one of my supermarket surgeries which I hold at Morrisons. Times are advertised in the local press in my column.

Yours sincerely,

**Anne Marie Morris MP**
